# DEDICATION

## FATHER LEO GROMMES, O.S.B.

Father Leo has been around Marmion. During his twenty-five years of priesthood, he has served us as promotional director, principal, director of studies, teacher and in many other capacities. Although we see father around doing many things on campus, we especially shall remember him for his unique visual aids, for no one can compare with him for finding the unusual to express the necessary. We joyfully dedicate this book to him and wish him many more years with us.

Priest, monk, teacher, author, chaplain—some of the many facets of this many sided personality that we call Father Wulstan. Over his twenty-five years in the priesthood, father has served Marmion with all of his God-given talents. Whether it is in the classroom, at the piano, or writing another successful book on the spiritual life, Father Wulstan holds his audience well. It is with deep gratitude that we dedicate this book to the man we most often meet as our chaplain.

**DEDICATION**

# "BACK HOME" SEPT. '68

Although routine doesn't vary much, the new faces make each years' beginning something special. For the new cadets everything is either wonderful or frightening. For the old cadets it means the end of summer and time to get back to the books. To the faculty it means wonderment at how much the Marmion man has changed over the summer.

This is where it all starts.

You will be assigned to company . . .

And then to the bookstore.

All everything must be  
to doed nearly

What's a mistered corner?

Good the M m y don't free next sitting  
Sunday

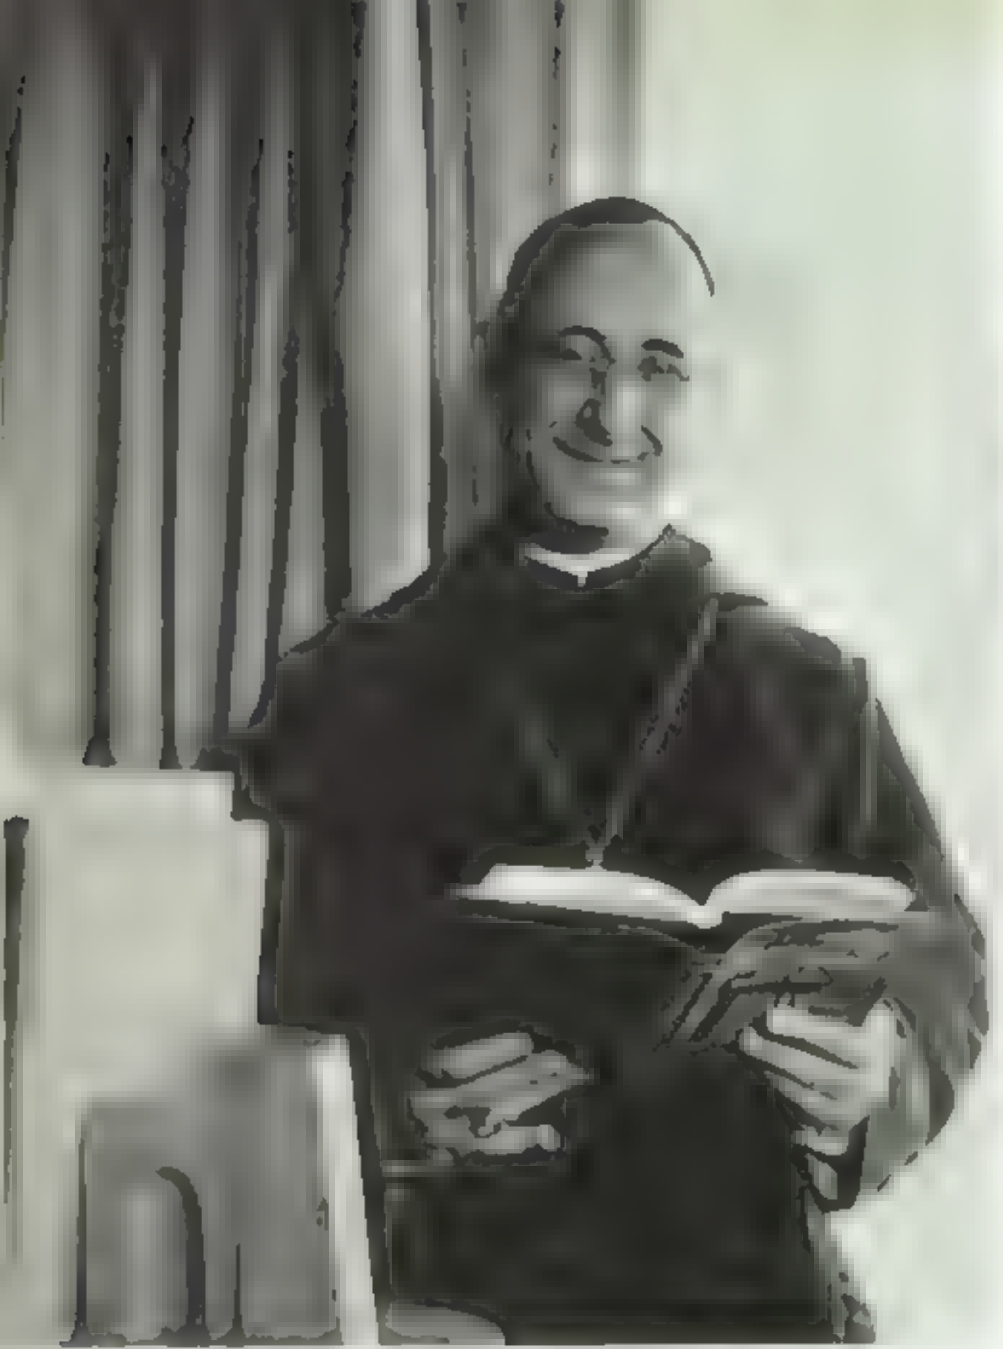

Welcome to our dorm

All good things begin with prayer

## PRESIDENT

Marmion has been blessed to have at its president a man both fatherly and scholarly. Father Abbot Gerald Bensert, O.S.B., continues to inspire all of the Marmion family to still greater accomplishments.

## HEADMASTER

An executive with much experience and leadership serves as our headmaster. Father Joseph Battaglia, O.S.B., in this position keeps Marmion life ever vital and alert.

## DEAN OF STUDIES

Father René Cyr, O.S.B., fills the office of Dean of Studies with efficiency and understanding. Endless hours spent in scheduling and curriculum planning have proven to produce top students at Marmion.

School discipline lies in the care of Father Andrew Wahm-hoff, O.S.B. His constant concern and understanding make the Marmion boy a Marmion man.

## OCTOBER 18 AND 19, 1968

This year's homecoming again was made for memories. Some good—some not so good. Our lovely queen, Miss Chris Weber was crowned at the game and reviewed the troupes with her attendants, Miss Diane Elder and Miss Cathy O'Connell. The weather again was perfect for the game, but the game wasn't perfect. St. Francis gave Marmion her only defeat of the season

## RETREAT RENEWS MARMION MEN

With the school year well under way, Marmion cadets have the opportunity each year to make their spiritual retreat. This year Father Francis Lee, C.S.S.R. joined us and gave invaluable direction in spiritual matters. Father Lee makes his home in St. Louis and is also associate editor of the Liguorian Magazine

# BULLMOOSE PARTY WINS IN MOCK ELECTION

Anticipating the national elections by a week, Marmion held its own convention and election. No individuals were up for office, but rather the party platforms were the key issues. Our leading political parties were disguised as the "Bullmoose Party" and "The Favorite Sons." Campaigning was done, posters hung, and a convention held in the gym. Since the true identification of the parties was not known until after election the cadets were forced to vote on issues and not personalities. The "Bullmoose Party" in reality the Democratic Party, won by a narrow margin of only four votes. The election was under the guidance of Mr. Jamroz of the History department

## CHEERLEADERS

One imagines that at times the cheerleaders feel like "unsung heroes." Although a school cannot have an athletic program without teams, it also cannot have successful teams without cheering. And so our thanks go out to those lovely volunteers we call our cheerleaders. Not only do they lead the cheers, but they add that wonderful touch of femininity that the men of Marmion appreciate.

# THANKSGIVING DANCE

Preceding the holiday, the Thanksgiving Dance was held on November 22, 1968. The scene this time was the Brookwood Country Club where ciders and their dates participated in a dinner dance from seven till eleven thirty. Music was supplied by the Second Storey.

With reflections on his active cadet days, Mr. John C. Hirschfeld delivered the keynote address for the tenth annual Marmion Career Day. This year's Career Day featured a variety of occupations including air transportation and labor unions. All speakers were thought to have given informative and highly interesting talks. It was not unusual to remain two or three times for the same lecture. Of course, all guest speakers were Marmion Alumni.
